

Investigator Name:	Officer Pat Soderberg
Case No:	18-0705
Crime Scene Location:	22 Baker St., Guthmann, MN

Crime Scene Investigation Report

Describe scene.
Arrived at scene at 12:15. Shown into Dec's living room. Dec lying on couch, face up, dressed in jeans, T-shirt, sock on left foot. Dec's face gray; white, foamy spittle around, over Dec mouth and nose. Approaching Dec, smell of alcohol around Dec; Dec cold to touch. Observed 5 beer bottles around the room, baggie containing suspected narcotics pills on coffee table in front of Dec. Baggie, contents collected in evidence. Baggie had numbers written on it. Preliminary search did not reveal illegal street narcotics. After ambulance crew showed up, observed paper under one of the beer bottles – Exit Form for Dec from Wayfarer Recovery, Incident Report from same place; collected into evidence.

Describe secondary search site(s).
Investigated Dec bedroom, bathroom for additional clues, to determine what suspects involved. Bathroom revealed unlabeled prescription bottle; bottle and pills bagged, marked EB #2.

Was there any attempt to alter the scene?
Entry to crime scene provided by Dec spouse Skylar Webster. There did not appear to be any attempts to move the Dec or otherwise alter the crime scene prior to CSI Photogs.

Is the case of death clearly apparent?
Cause of apparent opioid drug overdose or combo of opioid drug overdose exacerbated by alcohol consumption. Baggie containing pills and unlabeled prescription bottles makes this a suspicious death; further investigation required to determine who supplied drugs.

Results of Forensic Testing
αEvidence Bag #1: pills inside of plastic sandwich baggie field-tested positive as oxycodone
αEvidence Bag #2: pills inside unlabeled pill bottle field-tested positive as oxycodone and acetaminophen
αEvidence Bag #3: confirmed beer bottles contained beer
αEvidence Bag #4: paper document from Wayfarer Recovery Residence
